Commodore's Corner

by Christina Tarantola

Another year of sailing has begun and it's off to a great start.

We had a couple of glorious daysails in January and the racing season kicked off with the Berger/Stein Series races to Malibu and back. At our January meeting, passions flared as Santos Kreimann, director of LA County Beaches and Harbors, outlined development plans for Mdr. While some of these projects are approved, many are still in the approval process, so it's not too late to make a difference. Visit <http://beaches.lacounty.gov/wps/portal/dbh> for more information.

February starts with three big events on Superbowl weekend. Cruise Chair Diane Larson starts the season with a WSA Superbowl Cruise from Mdr to Redondo Beach in partnership with SMWYC and Fairwind Yacht Club. The cruise will be back home in time for SMWYC's Superbowl Party. If you want to do a land cruise, you can join the gang Saturday night for dinner. It's not too late to get onboard, contact Cruising@wsasmb.org.

February's Speaker: Mary Ho

by Midge Costin, Education Chair

February's speaker and WSA Race Chair, Mary Ho, will regale us with tales and photos from her 4,000 mile, non-stop sail to one of the most remote parts of the globe.

Did you ever wonder what it's like to sail for 3 weeks out of sight of land? We will all get a chance to experience this through Mary's stories of life onboard the 65 foot sloop, *Alaska Eagle*. This might be called cruising, but as Mary says, "It took 25 days of non-stop, hard sailing to get there."

This voyage was the first leg of an eight-month circumnavigation of South America, part of Orange Coast College's sailing program. According to the OCC website, the purpose of these voyages is to instruct in all aspects of passage-making and exploring remote areas.

Seeing where this is Mary's fourth voyage on the *Alaska Eagle*, her talk will also include discussion of the boat and its history. For those of you who are not familiar with Mary, she is an avid racer and blue water cruiser (with 10,000 miles of blue water cruising under her keel!). She can be found most weekends on the foredeck or pit of a J24, J29, or Olsen 30 in MDR, Long

Fran Weber Melville
2010 Peggy Slater Award Recipient

This is the 21st year for this very prestigious award, which is presented annually to a female who makes outstanding contributions to the enhancement of women's participation in sailing and for individual achievements in the sport of sailing. 2010's recipient, nominated by WSASMB, is Fran Weber-Melville.

Fran has been very active in the southern California sailing community for the past thirty years and has been nominated twice in the past. Her resume and achievements include:

- ◆ Obtained her Marine Captain's License in 1999 and is currently employed by Blue Pacific Boating in Marina del Rey
- ◆ Past charter captain in the Adriatic Sea off the coast of Split Croatia
- ◆ She has worked countless hours with the Boys and Girls Club of Venice and Oxnard, introducing at-risk youth to sailing, and actively recruits volunteers for outreach sailing programs for children (coordinated through the Sheriff's Department, Fran has been recognized many times with their service awards)
- ◆ She regularly volunteers for UCLA's Adaptive Recreation Program, which introduces disabled adults and youths to water sports
- ◆ She volunteers for the Dockwalkers Program in Marina del Rey and organizes volunteers who inspire and educate boaters to be environmentally sound while boating
- ◆ She served for five years as Environmental Chair for the Association of Santa Monica Bay Yacht Clubs
- ◆ She has taught many classes, including ASA Bare Boat Charter
- ◆ She has been a coach at the SCYA Women's Sailing Convention. For the past fourteen years, she sailed her 35' Erickson, *Lightning*, from MdR to Newport Beach to attend, along the way teaching her women crew members about the basics of sailing.
- ◆ In racing, Fran has participated successfully in the WOW/WAH Regatta conducted by WSASMB, sailed in the Newport to Ensenada and MdR to Puerto Vallarta races (in which she co-captained a 42' Newport), and sailed in the All Women's One Design race series in Long Beach
- ◆ She is a past commodore of WSASMB where she still actively participates in daysails and cruises, mentoring new sailors
- ◆ She has made numerous boat deliveries since 2001 and has cruised the coast of California, the San Juan Islands, and the Bay of Islands of New Zealand.

These accolades really only tell a small part of the story of Fran's contributions to women's sailing and sailing in

general. Everyone at WSASMB and in the southern California sailing community congratulates Fran on receiving this well-deserved award.

Finally, don't miss the March 8 (International Women's Day btw) WSA meeting!

Channel Islands WSA Celebrates its 1st Anniversary

By Terri Potts-Chattaway, Commodore, CIWSA

It was just a year ago when the crew of *Mystic Flyer* decided to start a women's sailing association. We were inspired by the knowledge and confidence we gained while racing as an all-women team. We were affirmed by our attendance at the Annual SCYA's Women's Sailing Convention; two hundred women filling the Bahia Corinthian Yacht Club, working together to train, refine, and excel in what is a predominately male sport.

And we were encouraged by both the Women's Sailing Association of Long Beach and LA and of Santa Monica Bay. WSASMB's Fran Weber and Karyn Jones were our first guest speakers last February. They drove up to share with our group the benefits of participating in a women's sailing group and their enthusiasm was contagious.

Using our sister organizations as a model, Channel Island Women's Sailing Association was created to encourage, support, and educate women sailors of all levels of experience. Our monthly membership meetings are held on the second Thursday of every month from 6:30–9:00pm, where we have a guest speaker and a potluck dinner or order from the host club's menu. Our guest speakers have covered topics such as Knots, Race Starts, Racing Terminology, GPS use, and Cruising Channel Is-

lands.

In our first year, our meetings were graciously hosted by Channel Islands Yacht Club and Pacific Corinthian Yacht Club. This year we had a great start with our membership meeting at Anacapa Yacht Club with Guest Speaker Randy Alcorn discussing Person Overboard. In addition to the Channel Islands Harbor Yacht Clubs, we are scheduled to visit Ventura Yacht Club and Pierpont Bay Yacht Club in Ventura Harbor later this year. By rotating through the various clubs we hope to be a positive addition to the community of sailing in our support of women sailors.

Besides our monthly meetings, we have on-the-water events such as our Skill, Thrill, and Grill Day and our Frenchy's Cove Day Sail and Lunch, and we participate in the Anacapa Wet Wednesday Race Series and have started a Day Sail program.

Our next membership meeting will be on Thursday, February 10th, at the Channel Islands Yacht Club in Channel Islands Harbor from 6:30–9:00 pm. We will have a potluck dinner, no host bar, and will discuss our 2011 calendar and share our experiences from SCYA's Women's Sailing Convention. Come visit us. All are welcome!

Channel Islands Women's Sailing Association is a member of US Sailing and is in the process of applying for SCYA membership. For more information visit our website at www.ciwsa.org.

January Racing Events

By Mary Ho, Race Chair

Hello, everyone, I'm going to recap a few of the big races this month. Del Rey Yacht club hosted the first Berger/Stein race of the year on Saturday, January 8th. There were two courses, Malibu and return for most of the classes, and Topanga and return for the cruisers. With over fifty boats at the start, it was definitely a great turnout for the first race of the year. Light air forced postponement of a few of the class starts so that the line could clear. But, start everyone did, and eventually the wind freshened to a steady breeze throughout the course. Racing in PHRF B on a C&C 40, we were pleased to finish before the sunset. That put everyone in good spirits and was a great start to the year's racing season.

The Champagne Series was a well-run and very fun race. Put on by the SBYRC, with Guillaume Rasse as PRO, there were classes for PHRF A, B, and C, Martin 242s, and Open 5.70s. Racing on one of two J-24's, we were in PHRF C. These races were the perfect tune up to get everyone's heads back into the boat, get dialed back into racing, and shake off the winter cobwebs. It was a great two Saturdays of windward-leeward racing and a great tune-up for the season.

WSA's first racing clinic of the year was called "Starting Strategies." Taught by Chris Mattia and Karyn Jones, it was geared toward the beginning to immediate racing sailor. Jeannea Jordan and Wayne Brandow donated their time and boats for the on-the-water session. Cecile Schwedes kindly provided her C&C 40 as the RC boat.

A two-hour morning session covering the basics of starts, flags you might see at a start, jobs people have at the start, and basic start strategies began the day. The on-the-water session was devoted to exercises designed to help the boats find the line, time themselves to get to the line at the right time, read the flags, and general boat handling skills for the start. Students switched jobs, giving each the opportunity to trim, drive, and work on the bow. Everyone learned something, enjoyed a beautiful day of sailing, and to top it off, had fun socializing and enjoyed the chili dogs we had prepared.

Make your Move... to the Front!

The North U Racing Tactics Seminar hosted by both King Harbor Yacht Club and The Women's Sailing Association will be held on February 5, 2011. Steve LeMay, three-time J80 Champion, will be the instructor.

Speed alone is not enough! This class covers strategy, tactics, and rules all the way around the course. Learn how to build your strategy, develop your plan, and follow through to implement strategy. Be able to position your boat to make use of the rules and see how the rules shape and control tactics.
